English Summer school

English Immersion Courses in Small Groups

English
Language
Homestays

Our International Summer School takes place from the middle of June until the early part of August. We are located in the area of Brighton but right on the beach. Find out more about our Brighton English Language Centre with class sizes of no more than 6 students!

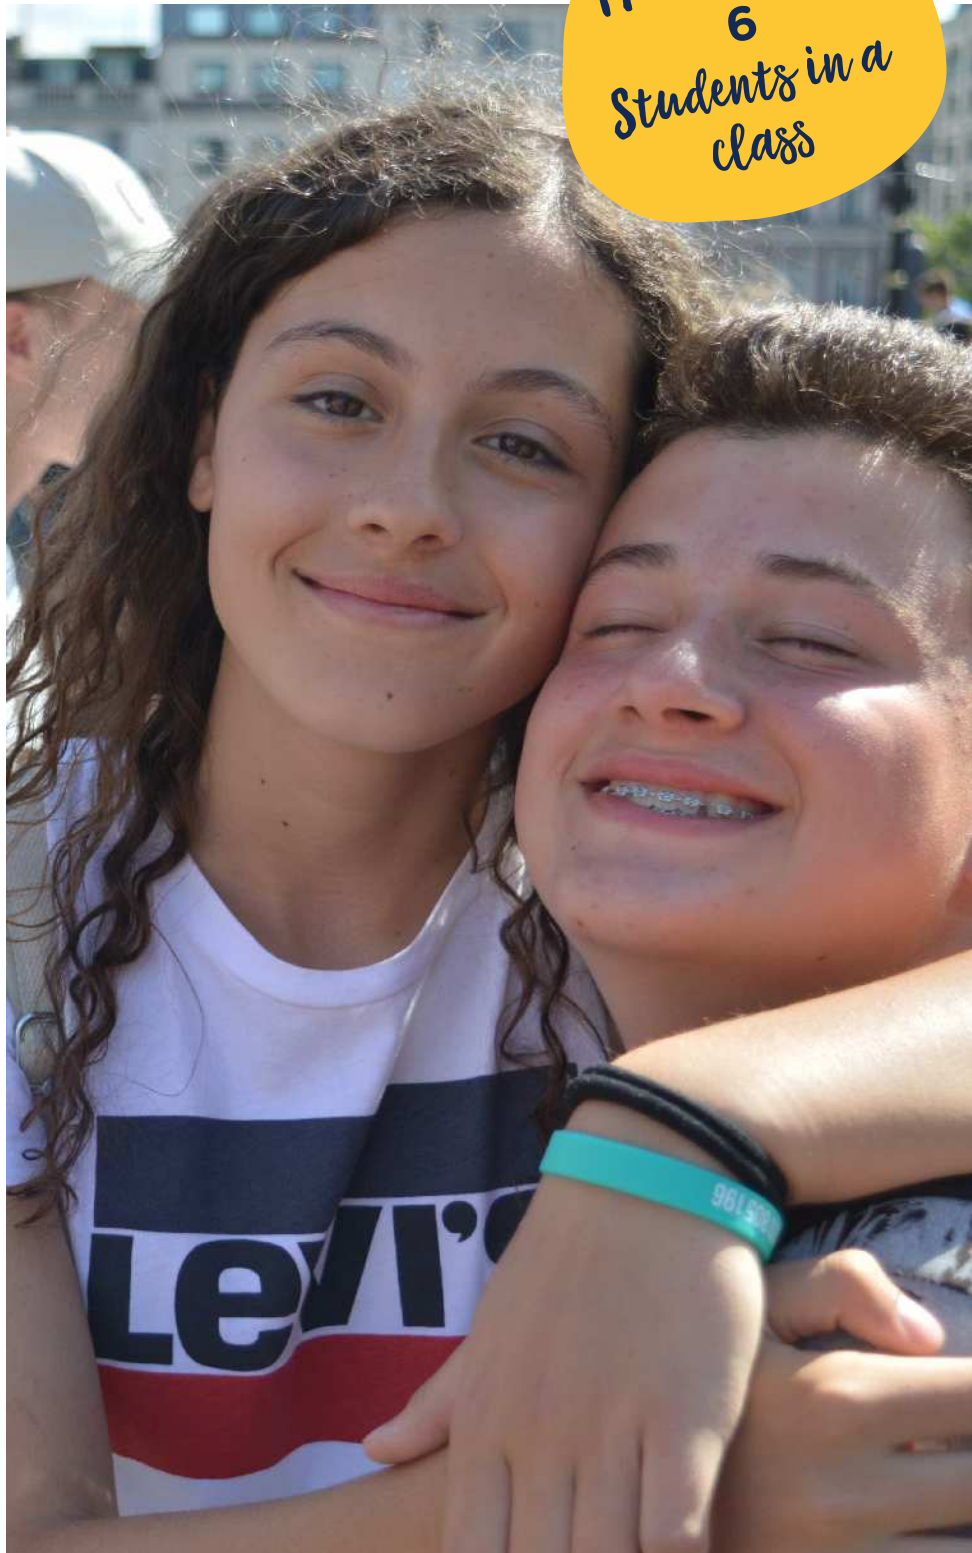

Students of different nationalities are placed with the appropriate level teacher who will help you progress with your studies and projects. You will live with an English speaking host family and share your home with another student on the same course as you. You will experience the English way of life. Culture. Food. Family Living. We consider this Club Programme Course a very traditional way of improving your English.

Each week you will take on English Projects to help your studies. The mornings will be spent more formally whilst the afternoons are spent out and about either on a social immersion programme or completing your project work. Being part of a small group with a maximum of six students in your class you can be sure of lots of support from your Tutor as well as being in the correct level appropriate to you. You will never be lost in a large group of 15 plus students. Our aim is for you to enjoy your Immersion Course here in the UK as well as improve your English studies whilst you are here.

We also respect **COVID Guidelines** and feel groups with a maximum of six students are more responsible for all concerned, such as Students, Tutors, Activity leaders and Host Families.
